Do You Want Good Fruit Trees?

If you do, we can give you no better advice than to call on A. K. Sutton, proprietor of the Arcadia Valley Nursery. He has Apples, Peaches, Cherries, Plums, Strawberries, etc., of every variety. Most of the fine fruit grown here in this season is from trees taken from his Nursery, which is rapidly acquiring an excellent reputation. The trees grown in this climate are certainly better suited to this section than those imported from a distance, and our people appear to have at length become aware of the fact. We can commend Mr. S. unqualifiedly to every reader of this paper, and his word can be depended upon at all times. Orders by mail for trees from responsible parties will receive prompt attention.

TO THE WEST.

There are a number of routes leading to the above mentioned section, but the direct and reliable route is via Saint Louis over the Missouri Pacific Railway. Two trains daily are run from the Grand Union Depot, Saint Louis to Kansas City, Leavenworth, Atchison, St. Joseph and Omaha.

Pullman Palace Sleeping Cars of the very finest make are attached to all trains. At Kansas City Union Depot, passengers for Kansas, Colorado, Nebraska and California connect with express trains of all lines.

At Atchison, connection is made with express trains for Kansas and Nebraska points. At Omaha, connection is made with the Overland train for California.

This line offers to parties en route to the West and Northwest, not only fast time and superior accommodations, but beautiful scenery, as it passes through the finest portion of Missouri and Nebraska. Send for illustrated maps, prospectus, etc., of this line, which will be mailed free.
